Projects

Hotel Augustine Clone
Hotel Augustine Clone Website
August - October 2024

Developed a clone website with responsive views for mobile, tablet, and desktop using HTML, CSS, and Bootstrap, ensuring optimal performance on all devices.

Leveraged HTML for structured content, CSS for styling, and Bootstrap for a cohesive, modern design that adapts fluidly to different screen sizes

Optimized the layout for mobile, tablet, and desktop views. Designed sections for product images, descriptions, and promotional content.

Developed clean, modular code structures to simplify future updates and maintenance, ensuring long-term project sustainability.
